Short info about me

As a last year student in Software Engineering, I am eager to contribute my skills and passion to challenging projects. With hands-on experience in Java, Python, C#, .Net, SQL, and React Native, I am ready to design and develop robust software solutions. I am particularly interested in mobile app development and am excited to continue learning and growing in this field.

Education

2020 - Present	Vilniaus Kolegija
3 years	**Software Engineer**
	Higher (bachelor)

Languages

Lithuanian
